

# Black Belt Pledge

*As the kōhai benefits from the senpai's knowledge so too does the senpai learn from the kōhai, the new experiences from teaching and by way of developing a sense of responsibility to the student, the club instructor and the school.*

I hereby pledge to be the best black belt senpai I can be. I will offers assistance, friendship, and counsel to new or inexperienced members, known as the kōhai.

I will follow the 7 principles of Bushido, and be supportive to my Sensei, the Head of School and All Stars Martial Arts Academy

This I do solemnly Pledge.
